GENERAL INFORMATION

What is the program?

Stony Hill offers a great program for corporate groups to attend an educational, fun event that promotes teamwork. Groups are broken into smaller teams which compete to see who can find the most answers within our maze in the least amount of time. Our 10 acre maze contains 9 word game stations and 9 picture stations all hidden throughout our winding pathways. Teams must work together to try and navigate the maze and find all the stations. Completion of the entire corn maze takes approximately 2 hours.

When are you open?

The maze is open for corporate groups weekdays September 2nd- November 10th excluding Oct. 13th. We host our school tours from 9:00-1:00, so if you would like to avoid the crowds plan to arrive after 1:00.

What should we bring?

Bring water bottles and sun protection for your trip through the maze. Be sure to wear comfortable walking shoes since the maze is a plowed corn field. You may bring lunch to eat on the farm at our various picnic tables. We can also provide you with a list of local restaurants upon request.

Do we need Reservations?

Yes. All groups of 20 or more must pre-book their visit with us by calling 908-879-2908.

Do we need to prepare before we arrive?

Yes. You should separate your group into teams of 4-6 people. Count the number of adults and youth that will be participating. Bring along a check or cash to pay for the entire group when you arrive. We do not collect money individually from each person in your group.

What else can we do on the farm?

Included in your ticket is admission to our Tile Maze, and the Rope Maze, which can be completed at your leisure. You can finish up your trip in our Farm Market where we sell our own fresh produce and baked goods along with other gift items.

Where are you located?

Our corn maze is located at:
